

# GOODBYE WINTER, HELLO SPRING!

- 1 Goodbye winter, hello spring,  
We're glad to have you back again.  
Here's to warm and lighter days  
Now wintertime has gone away.

**CHORUS** *Springtime! Sing time!  
Everywhere alive with colour.  
Warm times, sunshine,  
Life is waking up!  
Blue skies, new life,  
Breezy days and gentle showers,  
Warm times, sunshine,  
Life is waking up!*

- 2 Goodbye gloves and woolly hats,  
We're glad to see that spring is back.  
No more dark and dreary days  
Now wintertime has gone away.

**CHORUS**

- 3 Goodbye scarves and welly boots,  
We're glad to see the back of you!  
No more cold and frosty days  
Now wintertime has gone away.

**CHORUS**

- 4 Goodbye winter, hello spring,  
We're glad to have you back again.  
Here's to warm and lighter days  
Now wintertime has gone away.
