

AS THE SUN RISES

Group 1

CHORUS 1

*As the sun rises on a new day,
May our hearts say, 'God is good to us.'
As the sun rises on a new day,
May our songs say, 'You are faithful God.'*

Group 2

CHORUS 2

*As the sun rises on a new day,
May our hearts say, 'God is good to us.'
As the sun rises on a new day,
May our songs say, 'We are grateful Lord.'*

Duet

- 1 Your loving kindness is new every morning,
Through every season and change.
Nothing can hinder the love you have for me,
Nothing will stop me from singing your praise!

CHORUS 2 (All)

- 2 Vaster than oceans is your love towards me,
More than I'll ever contain.
Goodness and mercy in every new morning,
Love never-ending for all of my days.

CHORUS 2 (With optional harmony)

- 3 All of creation will tell of your glory,
Your love forever proclaimed.
Songs rising up, we'll awaken the morning,
Voices together declaring your praise!
