

THE TADPOLE SONG

Solo

- 1 Say 'Hello!', this is Tod,
He's no more than a jelly blob.
In a crowd, feeling lost,
Scared he'll never ever be a frog.

All

CHORUS

*Don't be afraid, just be brave, tadpole,
There's no reason to fight,
It's nature's way, it's OK, tadpole,
Things'll work out all right!*

Group 1

- 2 Say 'Hello!', this is Tod,
He can wriggle and he can nod.
Just a tail with a head,
Scared he'll never ever be a frog.

CHORUS

All (with optional harmony)

Group 2

- 3 Say 'Hello!', this is Tod
And he's proud of the legs he's got,
But he swims like he does,
Scared he'll never ever be a frog.

CHORUS

All (with optional harmony)

- 4 Say 'Hello!', Mister Tod,
We can see that you've changed a lot.
You can croak, you can hop,
You're a very happy, handsome frog!

LAST CHORUS

(Slower)

*Hip, hip hooray! Happy day, froggy!
What a wonderful sight!
It's nature's way, you're OK, froggy!
Things have worked out all right!
(Repeat, with optional harmony)*
