

RING OUT THE BELLS! (WE'RE COMING ALIVE)

CHORUS

*Ring out the bells at Easter time!
Tell all the world that He's alive!
Sing out the story far and wide,
Shout it from the rooftops, Jesus is alive!*
(Repeat)

- 1 Now the power of death is broken,
The grave is left behind,
The darkness has been overcome
By love that cannot die.
Heaven's doors are flung wide open
To everlasting light,
The kingdom of our God has come
With power and resurrection!

CHORUS

(Once only)

- 2 Deeper than eternal oceans
And stronger than a flood,
The fountain of His endless love
Is now poured out on us.
Here we stand, our hearts wide open
To His eternal life,
The kingdom of our God has come
With power and resurrection!

LAST CHORUS

*Ring out the bells at Easter time!
Tell all the world that He's alive!
Sing out the story far and wide,
Shout it from the rooftops, Jesus is alive!*
(Repeat)

(With optional harmony)

*We're coming alive! We're coming alive!
We're coming alive to love!*
(Repeat x2)
