

GOODBYE WINTER, HELLO SPRING!

- 1 Goodbye winter, hello spring,
We're glad to have you back again.
Here's to warm and lighter days
Now wintertime has gone away.

CHORUS 1 *Springtime! Sing time!
Everywhere alive with colour.
Warm times, sunshine,
Life is waking up!*

- 2 Goodbye gloves and woolly hats,
We're glad to see that spring is back.
No more dark and dreary days
Now wintertime has gone away.

CHORUS 2 *Blue skies, new life,
Breezy days and gentle showers,
Warm times, sunshine,
Life is waking up!*

- 3 Goodbye scarves and welly boots,
We're glad to see the back of you!
No more cold and frosty days
Now wintertime has gone away.
