

CATERPILLAR MUNCH

Duet

- 1 Caterpillar, munch, munch, munch,
All day long you're eating up your lunch.
Cabbage, kale and lettuce leaves,
Don't forget to leave some room for tea!

Small group

- 2 Caterpillar, creep and crawl,
I can see you on the garden wall.
Chewing, chomping happily,
Don't forget to leave some room for tea!

All

- 3 Caterpillar, what a feast!
You're a hungry little minibeast.
Eating gives you energy,
Don't forget to leave some room for tea!
- 4 Caterpillar, me oh my!
You've become a lovely butterfly,
No more crawling, no more slow,
You've got wings to fly, away you go!
