

WE'RE MAKING PANCAKES

- 1 We're making pancakes, with a few ingredients,
Savoury or sweet.
Pancakes, easy and convenient,
But such a special treat!
You'll love our pancakes, plenty here for everyone,
Eat them while they're hot,
Serve them up with tasty toppings, but
Don't put too much sugar* on the top!

(With optional harmony until the end)

- 2 We're making pancakes, flipping them and flopping them,
Catch them if you can.
Pancakes, missing them and dropping them
And some half in the pan!
You'll love our pancakes, plenty here for everyone,
Eat them while they're hot,
Serve them up with tasty toppings, but
Don't put too much sugar* on the top!

3 DANCE BREAK
